

HOMEROOM

Before and after school childcare supervision is available for **\$4.25** per child per hour. As part of enrollment every student, is enrolled in this program for your use as it is needed. Students arriving before 8:00 a.m. and those at school at 3:15 p.m. will be automatically checked into the supervised care program for which the above fee is charged. We do this so no child is left unsupervised while on school grounds.

RETURNED CHECKS

Returned checks will have a \$25 fee assessed to your account. Returned checks will not be re-deposited. ACH payments refused by your bank will have a \$25 fee assessed. A second check with insufficient funds within the same school year will mean that the school will no longer accept checks; for the balance of that school year, all payments will have to be made with cash or certified funds.

LATE TUITION PAYMENT FEE

Payments not received by the 10th day after your selected due date will have a \$15 late fee added to your next tuition invoice.

LATE ENROLLMENT

Tuition charged for late enrollment will be prorated based on the portion of the school year remaining at the time of enrollment. Payment must be made in advance or on a monthly basis in equal payments through May of the current school year using FACTS.
